Jeff High District Promotes Three Men

RICHARD COLTRELL

Westmoor High School Principal Glenn South Monday became heir-apparent to the Jefferson High School District's assistant superintendency for finance as trustees continued a chain of high-level administrative changes.

Richard Coltrell, the district's assistant superintendent for personnel, at the same time was elevated to South's Westmoor position.

The board also named Michael Orlich, Jefferson High School's physical education department chairman, as Work Experience Program supervisor, replacing Paul Perez.

Perez has resigned to accept a county schools post.

Dr. Harold Tonini recently was elevated from his Terra Nova High principalship to assistant superintendent for instruction, and Thanos Panagoulas, Westmoor's assistant principal for instruction, was named to succeed Tonini.

Panagoulas' position will not be filled, until Coltrell personally meets applicants, according to District Supt. Edward Morgan.

South will not become assistant superintendent for finances until 1968, when present administrative aide Fred Goodell will retire.

In the meantime, Superintendent Morgan pointed out, South will be Goodell's assistant to "give to him the opportunity he must have to work with Goodell — through this year to more adequately be able to fill Fred's shoes."

Coltrell's district position will not be filled, as such, until South formally succeeds Goodell. Duties, Morgan explained, will be distributed among himself, South, Dr. Tonini and Goodell until next July.

South, who played as a halfback in the 1941 Rose Bowl with Stanford University against Nebraska, has been with the Jefferson High district since 1942, when he was a physical education and science instructor at Jeff High.

He was assistant principal and dean of boys at Jeff from 1950 until 1956, when he was named Westmoor principal. South also headed the district's summer school program for two years.

South's other school activities have included attendance supervision, and football and baseball coaching at Jefferson High. He served twice as president of the athletic league, helped organize the teachers' association in the district and has served on several county professional improvement committees.

While attending Stanford, South lettered four times each in football and baseball, and was a member of the Delta Chi Fraternity, the Block S Society and the Phi Phi National Honorary Society.

He attended Stanford on a combination academic and athletic scholarship.

His community activities have included membership in the Daly City-Colma Chamber of Commerce, and work with Cub and Boy Scouts and Little League Baseball.

An air force lieutenant two years, South was a bombardier.

South and his wife, Pearl, have two sons—Dick, a 1967 University of California at Davis graduate, and Bob, in his second year at San Jose State.

Coltrell, a lieutenant-colonel, who Monday was authorized a leave of absence to attend the Marine Corps Command and Staff Course at Quantico, Va., July 24-August 4, has been in the Jefferson District since 1956.

He has been a district administrative assistant since 1963 and director of personnel since 1966.

Coltrell joined the district as a social sciences teacher, assigned to Jeff High in 1956. A year later he was a social science instructor and counselor at Westmoor.

In 1960 he was named social science department chairman at Terra Nova High in Pacifica.

Coltrell received his AB degree from San Francisco State College in 1951, attended the University of California College of Law in 1954-55, then returned to S.F. State for his secondary teaching credentials, later his master's degree and for graduate work.

Serving with the Marines in Korea, Coltrell was an anti-aircraft platoon leader. He later became an anti-aircraft battery commander at Camp Pendleton and Twenty-nine Palms.

He has been a Marine reservist since 1954 and is president of the San Francisco Bay Area Chapter of the Marine Corps Reserve Officers' Association.

A Freak Marine Tragedy

Serviceman In Hospital

A young Marine who jumped from a taxicab in a San Bruno park last Saturday will be hospitalized for at least two months and will have to undergo a series of painful skin grafts, an Oak Knoll Naval Hospital spokesman said Monday.

The freak accident in which Marine Kenneth J. Barnell, 18, was seriously injured is still being investigated by San Bruno police, however, reports have been turned over to the District Attorney's Office for possible filing of hit and run charges against the cab driver.

According to the report, Barnell was en route to see his family and hailed a cab outside International Airport shortly after 2 a.m.

Barnell allegedly told the cab driver, Steven Powell, that he had only $2.40 "and he refused to take me home."

However, an unidentified Red Cap persuaded the taxi driver to give Barnell a ride "as far as the money would go."

As the young Camp Pendleton Marine directed Powell through the city streets, the cab radio picked up a request for police assistance and Barnell asked "Does this cab pick up police calls?"

Powell later told police he became suspicious and "uneasy"

CHP Is Blamed In Coast Fatal

A coroner's jury Monday ruled that Richard James Stone, 30-year-old California Highway Patrol officer, was guilty of negligence in a June 1 accident in which a Millbrae man was killed. It recommended that Stone be charged with manslaughter.

District Attorney Keith C. Sorenson said Monday that the transcript of the inquest will be reviewed before a decision is made whether to file a manslaughter charge.

"Certainly the verdict of the coroner's jury will carry a lot of weight in making this determination," Sorenson said.

The district attorney noted that, if it is decided to prosecute, a decision will have to be made whether to charge gross or ordinary negligence — the difference between felonious and misdemeanor manslaughter.

Capt. John Kennedy, commander of the patrol unit in San Mateo County, said he does not plan to suspend Stone. He said he disagreed with the verdict.

Killed in the June 1 crash on Sharp Park Road was William S. Xenos, 56, of 896 Helen Drive, Millbrae. He was returning to his home from the coast when the car driven by Stone, who was en route on an emergency run to an accident near Pescadero, hit the Xenos car head-on. Evidence given to the jury indicated that the patrol car slipped on a curve, which had been made slick by rainfall, and crossed onto the wrong side of the road and hit the other car.

Capt. Kennedy said Xenos should have heeded the patrol car's red lights and siren and driven onto the shoulder.

High School Board Reorganized

RAY MILTON (right, holding gavel) Monday was elected president of the Jefferson High School Board of Trustees in Daly City. Named vice president during reorganization was Edward Solomon, seated next to Milton and in front of new trustee Al Teglia. Elio Fontana, seated in front of Pacifica's James Cooper, was elected clerk. District Supt. Edward Morgan, not shown was renamed secretary. (Post Photo)

$4-Million Building Increase in Bruno

New building and alterations completed during the past fiscal year in San Bruno totaled nearly $9 million, $4 million above the figures for 1965-66, the building inspection department reported this week.

A number of new commercial construction projects accounted for most of the increase, with eight buildings with a total evaluation of $5,771,500 completed during the period.

Also completed were 91 new dwellings, three apartment buildings, one duplex, 309 residential alterations and 59 commercial alterations.

A total of 471 permits were issued during the year.

Last month, the upward trend in building received a strong boost with the issuing of a permit for construction of the new San Bruno Junior College.

The permit, issued for construction evaluated at $5,530,000, raised the monthly building total to $5,965,134.

Building during June, 1966, totaled $336,299.

Other permits issued last month included 15 for new dwellings, one new duplex, one new apartment building, one new commercial structure, four commercial alterations and 26 residential alterations.

Thompson Will Resign In Pacifica

Kenneth Thompson, Pacifica's Director of Public Works and City Engineer, has confirmed he will resign his post, though his plans for the future are not yet firm.

Pacifica's top works man for three years, Thompson said he gave a "long notice" before he had made any definite personal plans to give the city ample time to secure a replacement, so continuity of municipal projects would not suffer.

Thompson, registered civil engineer who came to Pacifica from Vacaville returned from a vacation last Wednesday.

Prior to leaving he had issued a memorandum to City Mgr. William Masonheimer citing his intent in resign, to seek employment as a city manager.

Masonheimer said the memorandum indicated Thompson specified Steptember 1 as the effective date of the resignation.

Thompson declined to confirm this particular date, adding however, I don't think theres any question I will resign . . ."

Masonheimer added "Whenever he has taken controversial stands, it has been for the city, not for himself."

Coins, Silver Set Taken in S.S.F.

More than $500 in dimes and quarters was taken from a South San Francisco residence in a daytime burglary Monday, police reported.

Officers said the Lamonte Drive residence of William T. Setchell was broken into while the owner was at work Monday.

The coins, which were wrapped and in bank bags, were taken from a desk drawer in the living room, Setchell said.

A set of silver valued at $75 was also taken. Entrance to the house was gained through forcing the lock of a rear door..

In another burglary Monday, a $150 refrigerator was taken from a vacant apartment on Lux Avenue, police said.

D.C. Officer Shoots Self Accidentally

A Daly City policeman was recovering today in San Francisco's Kaiser Hospital from a gunshot wound after he accidentally shot himself in the left arm Sunday.

A department spokesman said Officer Craig Martini was displaying his weapon to three friends on the Old Coast Road shortly after 3 a.m. Sunday when it accidentaly discharged.

Martini was off-duty at the time of the incident, the spokesman said.

The bullet passed through Martini's arm, breaking the bone.

No Comment By D.C. On Third Rail

The Daly City Council filed without comment Monday an opinion from the Public Utilities Commission regarding the use of "third rails" in state-wide rapid transit systems.

Although the city has no voice in what type of power supply the Bay Area Rapid Transit (BART) district uses in its system, the council had, nevertheless, opposed installation of third rails earlier.

The opinion noted that the BART system comprises approximately 75 miles of double-track transit lines, of which 21 miles would be in tunnels, underwater tubes or completely enclosed structures; 26 miles of elevated structures; 10 miles of track installed at highway level, and 18 miles on private rights-of-way.

The third rails would be supplied with some 1,000 volts of direct current.

Since 1929 rule 79. 1-A of General Order 95 has prohibited third rail construction in or through cities, "except for local rapid transit lines principally located in subways or in elevated structures.

This law would have outlawed

'Population Explosion' Hits Police

The population explosion hit the Daly City police department with a loud bang during the past week.

First to contribute to the expanding figure was officer Roger Austin with a 7-pound daughter, followed quickly by detective C. Phillips (a 9-pound son) and Thomas Barner (a 7-pound daughter).

Officer Craig Martini next proudly boasted the birth of his 8.6-pound daughter to Russell Cunningham who was busily passing out cigars in celebration of the birth of his 8-pound daughter.

But a veil of anxiety has clouded the otherwise festive atmosphere at the station for the past 11 days.

It seems officer Harry Lax' wife is that many days late in presenting the expectant father-to-be with his Bundle of Joy.

'Open House' For Youth Job Center

Daly City's Youth Employment Center located at 6634 Mission Street has many qualified applicants to fill positions in various occupations, according to Dan Shelton, Jr., director of the YEC.

"The largest number of job applications have been in the 13-16 age group requesting to do yard work, basement cleaning, baby-sitting, and housework," Shelton said. "Only from the co-operation of the community can we attain positions for our young people."

Persons in the Daly City area are asked to contact the YEC at 992-9414 or 992-9415 for a capable employee.

An "open house" is to be held today from 10 a.m. to 2 p.m.

2 Injured In SSF Crash

Two women were injured in South San Francisco Monday when their car went out of control and smashed into a tree on Hemlock Avenue.

Police said the accident occurred at 11:30 a.m. when Bernice Simons, 45 Larch Avenue, South San Francisco, lost control of her car while turning off Larch onto Hemlock Avenue.

Both Mrs. Simons and a passenger in her car, Etalka E. Mitchell, San Francisco, were admitted for treatment at Kaiser Hospital. Mrs. Simons was later transfered to a San Francisco hospital for treatment of a broken hip.

The Mitchell woman is listed in satisfactory condition at the South San Francisco Hospital, where she is being treated for bruises and lacerations.

Marine In Freak Tragedy

(Continued From Page 1)

when Barnell asked him about the police calls.

Barnell, whose home address is 1801 Santa Lucia Avenue bordering the city park, ordered Powell to drive down Crystal Springs Road — a sparsely populated section of San Bruno.

Barnell's mother, Mrs. Hazle Barnell, of 600 Santa Teresa Drive, Millbrae, told The Times her son had to go through the park in order to reach his home on Santa Lucia Avenue.

She said her son had tried to "phone us for a ride" but was unable to contact anyone and apparently took the cab. As the cab entered the park, less than four blocks from the Marine's home, the meter registered $2.35 and Barnell asked to be let out.

At the same time, Powell spotted three youths standing on the side of the road and thought he was going to be robbed.

Instead of stopping, Powell slammed the cab in reverse and roared down the road toward the park entrance. Barnell opened the door and started to leap out, however his foot caught and he was dragged some distance before he bounced loose.

As he regained his footing on the roadway, the taxi darted foreward and tried to run him down, both Barnell and three eyewitnesses later told police.

Within minutes after Powell's cab sped away, Police Officer Gary Krueger happened on the scene, questioned the trio of youths and rushed Barnell to Peninsula Hospital.

He was later transferred to Oak Knoll Naval Hospital in Oakland.

Barnell told police he "only vaguely knew" one of the youths standing in the park "because I went to high school with him." He denied "arranging" to rob the cab.

The youths — Michael Todd, 18, of San Bruno, Albert E. Hartmen, 18, Millbrae and an unidentified 17-year-old Millbrae youth — said they were walking in the park and ran to Barnell's aid when they saw him jump from the cab.

Barnell had volunteered for Vietnam and was scheduled to leave for his new duty station in two weeks.

"He just wanted to see his family before he went away — And now he might have a permanent disability," Mrs. Barnell said.

Hearing Planned On Front Setbacks

The Pacifica Planning Commission has conducted a public hearing on its intention to recommend to the city council that reductions in front setbacks for private garages or carports be allowed.

Zoning Ordinance 363's Section 9.0 would be repealed and Section 9.11 added, to read:

"Where the slope of the front yard setback of any residential lot is greater than one-foot rise or fall in a horizontal distance of three-feet from the established street elevation of the lot at the front street line or where the elevation of the lot at the front street line is six-feet above or below the established street elevation, a private garage or carport, attached or detached, may be built to within ten-feet of the front lot line if such reduction will not interfere with existing or proposed public utilities or established setback lines.

"However, such garage or carport shall maintain the side-yard setbacks required of the main building."

Swimming Meet Set

The Pacifica Park, Beach and Recreation Department will conduct the Second Annual Pacifica Sea Lions Class "B" A.A.U. Swim meet, July 22 and July 23 at Terra Nova High School pool, beginning at 9 a.m.

The meet will have some 72 different events with over 700 swimmers in over 400 heats. Over 600 spectators per day are expected to attend the two-day meet.

No Comment By D.C. On Third Rail

(Continued From Page 1)

at least 28 miles of proposed BART tracks in the area.

City Engineer Arthur Reschke informed the council that BART's design for third rails was "not like the Old Days" were the rails were completely exposed and protective fences were in need of major repairs.

"The proposed BART third rails are completely protected with guards, fences and signs every 500 feet. A person would have to be a contortionist to touch the third rails," Reschke said.

According to the PUC opinion "safety" is a relative matter.

For example, the danger of falling from an elevated insulated structure may be greater than contact with the third rail on such a structure," the opinion pointed out.

"Having well in mind the many problems of urban and suburban passenger traffic handling and the present trend to return to mass rapid transit systems, and being cognizant of the improvements and advancements in the state of the art which have occurred since the third rail rules were first promulgated, the Commission is of the opinion that such rules may be changed to permit construction of thrid rail systems . . ." the PUC said.

Resurfacing Job Finishes on Friday

What has been described as Daly City's most ambitious resurfacing program — a $100,000 two week-long project — ends Friday on East Vista Avenue.

Prime contractor for the job is L. C. Smith of San Mateo.

The resurfacing is being paid for with gas tax money at no cost to homeowners.

City engineers praised citizens for their cooperation during the project, which started late last month.

Wednesday afternoon the "resurfacing train" will be working on Southgate Avenue between Westmoor and Fairlawn Avenues.

On Thursday, work will be under way between Fairlawn and Lake Merced Boulevard, with resufacing on a portion of South Mayfair (in front of the Westlake Shopping Center) scheduled for the afternoon.

The final day, Friday, crews will be working on East Vista Avenue, east of Hillside Boulevard on both sides of the street.

Puzzling Scramble

THE SCRAMBLE for the congressional seat left vacant by the death of Rep. J. Arthur Younger grows more involved, more bewildering, more puzzling daily. Attempts to figure out who will pit popularity against one or another is perplexing, to say the least.

Latest county supervisor smilingly not denying she might enter the race is Jean Fassler. Supervisor Bob St. Claire has already smilingly told us (unofficially) he has a strong interest in the seat.

If one of these two supervisors happened to grab off the title in the (as yet unannounced) upcoming race who will Governor Reagan appoint from the local (Republican) ranks to fill THAT vacancy.

Three names keep popping up at the mere mention of this possibility — Jim Grealish, Robert Hunter and McRobert Stewart. But you can bet your last dime other names will keep jumping around!

Gazing into my clouded crystal ball I see another name appearing for that congressional chair. G-E-O-R-G-E Mc-Q-U-E-E-N — Younger's former Field Secretary. As the man-in-the-street starts mulling all these "unannounced" candidates it becomes increasingly apparent just why Gov. Reagan keeps putting off naming the election date — until local infighting is over and the ranks narrow down a mite.

☆ ☆ ☆

ALL OF A SUDDEN we find ourselves sitting in the critic's chair. But the way we figure it, you don't have to know the ins and outs of Old Broadway to know THE CAGE (now at the new Ghiradelli Square Theater) in San Francisco is a real winner. It's just gotta be one of the most unusual (and interesting) plays ever. Every one of the six-man cast is a former inmate of San Quentin. A question and answer session, with no-holds-barred, follows each performance of the Keith Rockwell presentation.

Now that we tipped you about this play how about going to see it. You might enjoy yourself for a change — and you'll be helping out the fine Seventh Step Foundation.

☆ ☆ ☆

SANDBAGGERS' DEPARTMENT — absolutely the greatest woodsman since Daniel Boone has gotta be Daly City Mayor Bernard (Bud) Lycett. If you've observed Lycett "in the tall timer" at one of his favorite golfing haunts you'll understand what we mean . . . And another fella getting back into the swing these days is Superior Court Judge Frank Blum, victim of a heart attack a few short months ago. Judge Blum has been hacking out a respectible low ninety score at Lake Merced the last couple of times out. That's not bad considering how long he's laid off the game.

☆ ☆ ☆

ATTENTION CONSERVATIONISTS — All this yakking about a huge regional park on San Bruno Mountain. A person would have to be out of his gourd to spread a blanket on the ground in the north county when a blanket of fog hangs over the area most of the year.

Sure we need parks to escape to (old city folks' saying) and, yes, we LOVE to go back to nature, but not on as large a scale as some screaming for. A nice natural park of about 350-400 acres is p-l-e-n-t-y.

☆ ☆ ☆

AND SPEAKING OF OLD SMOKEY — Any developmest on San Bruno Mountain (housing-wise) would have to tie into Daly City because that's the only city bordering the mountain that can facilitate sewerage disposal created in that area.

☆ ☆ ☆

THERE'S A $40,000 service center going out to bid soon for the North County Sanitation District plant near Westlake Park. It's getting harder and harder to keep track of all the new public service buildings sprouting up in the North County. This is a surefire indication of just how fast this area is growing. You people down south pay attention. Heah

☆ ☆ ☆

D. C. COUNCILMAN Frank Pacelli was recently named chairman of the seven-member North County Council of Cities. The motion to hand the popular D. C. councilman the reins was made by SSF's Mayor Pat Ahearn and seconded by SSF Councilman Frank Bertucelli.

☆ ☆ ☆

THE SHADOW KNOWS — About the Westlake barber (who shall remain anonymous, for his own sake) who figured out a "system," packed up his carpet bag and wife, scraped together his meager savings and went to Las Vegas (pronounced Lost Wages). You guessed it! He lost everything except his lovely wife — and she's not speaking to him.

Sleep Inducing

Can any movie top the boredom of "The Big Mouth," Jerry Lewis' latest excursion into megalomania? Is there any excuse for it other than the writer-producer-director having lost his comedic inspiration. It's playing on the Peninsula this week.

I fell asleep three times during the film and found to my utter dismay that the tortoise paced scene that sent me nodding off was still going on when I woke up ten minutes later. It's long, too long for a film that's not funny.

I came to at the sound of a fellow critic throwing paper cups and notepads at the screen in the critic's viewing room shouting in frustration at the conclusion of the two-hour episodic one-man show. It woke up the other two critics, also.

☆ ☆ ☆

LEWIS IS SELDOM OF THE SCREEN and hardly ever funny. It's the same old nasal delivery, tongue tied, stuttering, spastic arm and leg jerking, protruding teeth, horse braying, cross-eyed character he's portrayed in countless earlier films.

Surrounded by goon-like characters, he compounds the felony of boredom and tasteless slapstick byhaving one man crouched on the floor, on all fours, lapping up his dinner from a plate dog-style.

If there are any laughs to the film they're for Charlie Callas, a night club performer who does a pantomime mugging while stuttering out parts of words. When Lewis tries the same thing, it isn't funny.

Lewis changes the plot formula and the names of his characters, but basically, all his pictures are the same. There's always the chase around a corner to plow head-on into a waiter carrying a laden tray, or opening the wrong door and flustering a group of women, or stepping onto someone's sore toe, or falling off a roof or a cliff (this time it's a pier).

Nothing wrong with sticking to a formula, if it is successful, but to repeat his mirthless antics picture after picture, in the face of critical condemnation and declining box office grosses, is only a testimony of his audacity and unquestionable egocentricity.

☆ ☆ ☆

THIS TIME THE SCREWBALL KID (his obvious maturity makes it all the more ludicrous) is fishing on the beach and reels in a dying frogman. The unexpected catch turns out to be a twin-likeness of Lewis, a well-known criminal who knows the whereabouts of a diamond cache.

Seeds of Tragedy

In "Mr. and Mrs. Bo Jo Jones" — Ann Head's new book — there are seeds of a great tragedy, beautiful, meaningful and bittersweet.

Basically, it is a story of a marriage of necessity between teen-agers, July Greher and Bo Jo Jones. For them there is no question of romance. They were married, because the situation left them no choice.

Despite July's wisdom and Bo Jo's ambition, they cannot make a life together. They are too immature, too inexperienced.

Bo Jo comes to realize that he has thrown away a college education and a career in engineering and sports. July finds that she is not prepared for the long days of boredom with nothing to do and no one to talk to.

☆ ☆ ☆

THE SITUATION is further complicated by an inability — shared by both parties — to forget old flames and to give up former friends and classmates and dreams. Great fights between the two result.

When their parents receive the news, they are horrified and come to share a mutual dislike. July's parents are cultured, professional people. Bo Jo's are unschooled and of the laboring class.

The couple's unhappiness rises upon one situation after another until it bursts when the baby is born and dies. Thereafter both July's and Bo Jo's parents move for an annulment.

But the lovers find each other and go off to college to finally make their marriage stick.

☆ ☆ ☆

THE SITUATION presented is one that needs to be discussed in our age of easy virtue. It is time for literature to point out that sex acts do not live apart from such basic emotions as pride, love, grief and hate. The time has come for someone to picture the hard realities that follow an illicit moment.

Novels such as "Mr. and Mrs. Bo Jo Jones" don't go far enough.

These seeds are there, but they aren't allowed to reach full bloom.

Such stories point to the scenes that lead to tragedy, but stop before it comes. They are tear-jerkers and pot-boilers, while what is needed is a presentation of actuality untouched by sentimentality and idealism.

☆ ☆ ☆

LIKE the soap operas, "Mr. and Mrs. Bo Jo Jones" pictures hell with a silver lining. It's a promise — readable and interesting, but not what reality that it might have been. been.

'Shock' of Replating

Clergymen and all others who have articles which require occasional replating are advised to use great caution when authorizing a job. A California priest recently had the "greatest shock of his life" when he received a bill of $1,299 from an itinerant plater for a replate job of several altar candle holders.

The man, described as a "gypsy type," gave the cost of the replating to be $36 per ounce. Breaking down the exhorbitant bill, the plating had required 34 ounces of gold plus 22 hours of labor at $3.50 per hour which brought the entire cost to be $1,299.

The pattern followed in the replating racket is a typical old gypsy one with many variations. Sometimes, for example, a bargain price is quoted and a sample article plated to demonstrate the quality work.

☆ ☆ ☆

THE NEXT STEP — the itinerant replater offers to do all the articles at so much per ounce. Taken off guard by the low price and high quality of the sample job, many trusting clergymen authorize additional work done only to learn upon completion that the price demanded is excessive and the quality of work inferior.

The itinerant gypsies who specialize in refinishing or recoating material in gold, copper, aluminum or tin, pick out a city and settle. The men spread out throughout the area soliciting repair work.

They quote no total price for the job but indicate that it will be based on the amount of material and labor required, creating the impression that the charge will be a reasonable one.

Often they give the work out to some qualified local concern, adding on to the normal costs all that traffic will bear.

☆ ☆ ☆

SINCE they retain possession of the articles until payment is made, they are in a position to collect.

If their victims balk and do not want to pay the exhorbitant charges, they may compromise on the final charge.

Anyone who may be contemplating a replate job should deal only with firms of known reliability. Even then, to be sure of no misunderstanding, an estimate of the total cost of the work involved should be secured in writing before giving the order.

'Thanks to All'

LYAL INGERSOLL, the Jeff High trustee of many years who found at a June 30 testimonial gathering in his honor that friendship, as well as appreciation goes beyond the ballot box, remembers well that night at Nick's, down in Pacifica.

Lyal has dropped us a note expressing "our appreciation to all those kind and generous friends who contributed so much to make the night of June 30 such a WONDERFUL (emphasis is Lyal's) one for us" — meaning, in addition, his wife, Anne.

TWO DALY CITY girls, Maryanne Regal and Sandy Torrez, have been named to administrative posts of the newly elected California Girls' State governor, Miss Marian Virginia Jeffery of Oakland.

Miss Regal was appointed to the mock Board of Harbor Commission for San Diego and San Francisco, while Miss Torrez, was named an ex-officio member of the Franchise Tax Commission.

The twenty-fourth session of Girls' State was concluded last week at the University of California at Davis.

OUR OPINION

Bored With the Boring

The American viewer, according to some of the television leading lights, has been shown up again as somewhat of a boob, because he did not appreciate the hours upon hours of coverage of the United Nations during the Middle East crisis.

Anyone who would rave enjoyed that endless and dull show would also enjoy swimming in a sea of gelatin. Not that the United Nations speeches weren't significant. In that arena, the nations of the world were choosing up sides, they were airing their carefully propounded points of view about the war, and revealing themselves as they revealed their prejudices.

It would have been more beneficial to the viewer, however, had the sessions been winnowed of their immense amount of chaff, and the few grains of wheat laid out before him in some well-edited half-hour news programs. The endless, droning talk of the delegates seemed like a ponderous minute done by out-of-condition elephants.

First one side, carefully observing all the diplomatic niceties, presented its point of view. Then a spokesman for the other side weightily danced through his predetermined steps.

Instead of being criticized, the American viewer should be congratulated for having the good sense to be bored with a boring performance.

'Palace' Judges Picked

Three excellent judges have been named to judge the Beef of Tomorrow event at the Grand National Livestock Exposition, October 27-November 5, at the Cow Palace, according to Edith C. McDonald, livestock chairman and member of the board of directors for the Cow Palace.

Judging the animals, both on hoof and on hook, will be Prof. Ed Rousek of Fresno State College, a specialist in carcass work, and Prof. Tom Meyer of the food processing department of California Polytechnic at San Luis Obispo.

Assisting in the judging on hook will be C. A. Santare of the United States Department of Agriculture.

"The contest will feature animals of known parentage," said Mrs. McDonald, "and the carcasses will be judged on a formula basis."

The animals will be judged live November 1 at the Cow Palace and on hook, November 3, at Swift & Co.

Livestock auctions for market animals — beef, sheep and hogs — will be held at the Cow Palace, November 4.

TECH STUDY

Walter T. Grimes, 183 Northridge Drive, Daly City, claim representative for State Farm Mutual Automobile Insurance Company, has returned home after completing two weeks of technical study at the firm's Northern California office in Santa Rosa. Grimes works at the firm's claim service center at 211 Eastmoor Avenue in Daly City.

Cow Palace 'Star-Struck'

An array of the entertainment world's greatest stars will bring a fresh new concept to the 1967 Grand National, scheduled to open in the newly modernized Cow Palace, October 27, according to John G. Brucato, president of the Cow Palace board of directors.

"Our scheduling of several great stars to appear on different days during the exposition offers a complete new format for the Grand National," said Brucato, "and it seems most appropriate that the new scheduling coincide with the completion of our $1,800,000 Cow Palace improvement program."

Eva Gabor, beautiful blonde comedienne of television's "Green Acres," will headline opening night, October 27, to be followed by television's wacky Marine, Gomer Pyle (Jim Nabors), on Saturday and Sunday, October 28-29.

Eddie Albert, Miss Gabor's farming co-star on "Green Acres," will be the major attraction on Monday and Tuesday, October 30-31, and the sensational Wayne Newton will perform Wednesday and Thursday, November 1-2.

The Young Americans, one of the nation's most highly-acclaimed young singing groups, will entertain with folk and popular ballads the final three days, November 3-4-5.

A third great comedy star from "Green Acres," comic Pat Buttram, will be on hand to entertain at all the all-star performances.

Featured every night in the arena performances will be America's top cowboys in the West's greatest rodeo, and a full classification horse show, which includes the World's Championship Jumper Sweepstakes.

Augmenting the new format for the arena performances will be the "new look" of the Cow Palace—a completely new interior decor, 9,500 plush theater-type seats in the 14,000 capacity arena, new entrances and new and enlarged parking facilities, according to Brucato.

Cyclist Receives Sentence

The last of a group of motorcyclists arrested following a brawl on Geneva Avenue in Daly City more than a year ago was sentenced Friday.

Superior Judge W. Howard Hartley sent William Mark Mitten Jr., 26, of Oakland, to county jail for 90 days and placed him on probation for three years.

Probation Officer R. H. Faber told Judge Hartley he felt Mitten could be persuaded during the period of probation to drop his membership in the Hell's Angels.

A jury last month found Mitten guilty of feloniuos assault on a police officer. Witnesses said they saw Mitten trying to get an officer's gun during the brawl, which occurred outside a Daly City tavern following a funeral for a club member.

Mitten insisted that he had left the tavern before the brawl started and was in Oakland at the time of the alleged assault.

Pacifica Dock Aide Is Killed

A Pacifica longshoreman died Wednesday in a dockside accident in San Francisco.

Witnesses said that Eugene Brisco, 57, 625 Heather Court, fell to his death from the deck of a ship which was berthed at Pier 50.

The victim was reportedly attempting to open a cargo hatch on the S.S. President Roosevelt.

He hit his head on a piling as he plummeted into the bay. Coroner's deputies pronounced him dead at the scene of the mishap at 9:30 a.m.

Park Purchase Blasted

City Councilman Donald Risso of San Bruno said last week that the proposed Crestmoor Canyon Park scheduled to be acquired for $100,000 is "useless land" and would be a "waste of taxpayers money."

"We don't need parks that bad," Risso declared.

Councilman Karney Barberian agreed that the council does not want to go ahead with the acquisition but said it is merely because the city cannot afford to pay its share.

As planned, San Bruno, which originally applied for the park under a countypwide acquisition program, would pay 25 per cent. A like amount would come from the county fund and the $50,000 in local money would be matched by federal funds, which have been approved.

City Engineer Leo Van Dusen said that only about 40 acres of the 80-acre site could be made usable by filling. He estimated the cost at $340,000.

PRINCIPAL TO TALK

Bruno Youths Are Held As Suspects

Two teen-agers were arrested in San Bruno Friday after a suspicious homeowner found them powling around in his garage at 66 Bayshore Circle.

Steven Dulics told police he was leaving his home shortly after 10 p.m. when he heard noises inside the garage and investigated.

He spotted one youth starting to leave with an oil can and apprehended him.

As the youth's companion tried to run away, Dulics also grabbed him and held the pair until police arrived.

The youths, both 14-years-old, have a record of arrests on similar charges, police said.

They were released to the custody of their parents pending further investigation of the incident.

Postal Truck Hits Car; Chain Crash

A Post Office truck slammed into a stopped car at a South San Francisco intersection Thursday, touching off a chain of accidents in which two persons were injured.

Police said David Morgan, 19, of 409 Newman Drive, South San Francisco, apparently misjudged his truck's stopping distance and skidded into the rear of a car driven by Clifford W. Elver, 20, of 517 Grand Avenue, South San Francisco.

Elver's car, third in a line stopped at the corner of West Orange Avenue and El Camino Real, jumped ahead and rammed into a car driven by Robert Ahlbach, of 33 Wakefield Street, Daly City, which in turn crashed into the Dennis Kottmeir car.

Both Elver and Kottmeir were injured in the accident.

Elver was rushed to Peninsula Hospital for treatment while Kottmeier saw his family physician.

D.C. Driver Is Robbed

A route driver for the San Francisco Examiner was held up early this morning by two men who pretended to want a paper.

Allen S. Rosembaum, 23, 51 Bellhaven, Daly City, told police he was held up in San Mateo at the corner of Monte Diablo and Eldorado at about 5:45 a.m.

The two men, one of whom wore a windbreaker and pretended to hold a knife beneath the jacket, made off with $145 in cash and $12.75 in checks.

Both suspects were described as Negroes who wore black turbins. One was said to be about 35-years-old, about 5-10 in height and about 170 pounds.

S. S. F. Gold Recovered; Man Is Held

A portion of the gold and silver stolen from the Wildberg Brothers refinrey in South San Francisco earlier this year has been recovered in Sacramento, police reported.

Officers said the find was made following the arrest of John Richard Wrightsman, 31, in East Oakland 10 days ago. They said Wrightsman, a parole violator sought since January, admitted disposing of refined gold and silver in his role as middle man for a theft ring.

Detective Bill Pterson of the South San Francisco Police Department said he and Sacramento police, accompanied by Wrightsman, recovered about six ounces of gold and about 10 pounds of silver.

Wrightsman said the metal was a portion of what he helped sell to Sacramento jewelers and pawnshops, police said.

Officers here said Sacramento police have confiscated the books of several pawnshop - jewelers who may haye purchased stolen gold and silver. In some cases, police said, purchases were not legally recorded.

Police said Wrightsman implicated his cousin, Donald Huddleston, 28, an employe of the refinery. When arrested here May 2, Huddleston had in his possession a small amount of refined gold and scrap gold jewelry, police said.

An inventory by refinery officials indicated about $20,000 in precious metal, including platinum, was stolen between December and Arpil.

Bruno Asked to Delay Work on Sneath Lane

San Bruno city officials were urged last week to delay construction of improvements on Sneath Lane to give priority to work on Sharp Park Road.

County Supervisor James V. Fitzgerald said the Sharp Park Road project is more vital because it will serve the north county campus of College of San Mateo, construction of which is scheduled to start soon.

Fitzgerald's suggestion was made at a luncheon meeting between supervisors and other county officials and members of the San Bruno City Council and the city staff, held at the Castaway in San Mateo.

Fitzgerald recalled the "chaos" that resulted when the new College Heights campus near San Mateo was opened before there were adequate access roads and urged that stops be taken to avoid a similar situation at the new north county school, which is to be located south of Sharp Park Road and west of Skyline Boulevard.

The city of Pacifica, Fitzgerald told the group, will have funds next year to pay for improvements on its part of Sharp Park Road. He said a bottleneck will result unless the work is also done in San Bruno.

Members of the council and City Manager Gerard Vergeer and Engineer Leo Van Dusen told the supervisors that the city does not have sufficient funds for both projects. There is $592,000 in the city road fund, they said, and another $133,000 will be added in the coming year. The cost of the Sneath Lane project was estimated at $592,000 and the cost of the Sharp Park Road project at $337,000.

Deputy County Engineer S. H. Cantwell suggested that it might be possible to get some unused money from the city-county highway fund controlled by the County Greater Highway Committee so that both projects could proceed immediately. Money is allocated from the fund for city projects of area-wide importance. Cantwell suggested it might be possible for San Bruno to borrow against future allocations.

The matter was referred to the Greater Highway Committee.

Assemblyman's Wit

Three-and-a-half years ago we did a strictly nonpolitical piece on San Francisco Assemblyman and State Senate-hopeful John Burton, extolled his ability as an ex-All Conference basketball player at San Francisco State, his deadpan wit, and slipped in a plug or two about his law partnership with his brother, Phil Burton, then a state assemblyman.

To wrap up the piece, we asked John, who at the time was president of the San Francisco Federated Young Democrats, if he had any political ambitions.

We should have known right then that John would not only enter politics actively but be successful at it, because he came up with—although being a naive sportswriter we did not realize it at the time—the perfect politician's answer:

☆

"I have no foreseeable political ambitions other than to remain active in the part.

Within a few months after the column appeared John began running for things—and winning. He hasn't lost yet and probably won't, despite the fact that Ronnie Reagan is backing Judge Milton Marks.

Knowing Burton's sense of humor, we confidently expect him, upon whipping Marks, to shout into some handy mike, "There's one for The Gipper."

☆

Allow us, to quote from our **April 5** column about how the pennant race in the National League would go this year:

"Look for the Phillies, because of topflight front-line hurling (**Jim Bunning, Larry Jackson,** and possibly the best lefty twosome in the game, **Chris Short and Dick Ellsworth**), to be the dark horses, especially if modern medical science can keep their old men wired together. Pittsburgh is overrated, may be lucky to finish fourth. . . .

"Don't count the Dodgers out, who still have Walter Alston and may still have the best pitching in the league. Plus more power and few disturbers.

"It continues to amaze us that Cincinnati, with all the great athletes it has, hasn't come up. This could be the year. And if Atlanta's pitching question marks come through, they could breeze.

"The Giants? They'll make it a six-team race, will win it if they trade for a good shortstop. . . ."

☆

Foolish as it may seem, we'll stand on everything we wrote then.

We said the Phillies would have to keep their old men wired together, and they didn't. **Dick Groat and Bill White** came up with crippling injuries, and figures. We must admit, though, that Short and Elsworth turned sour for no particular reason.

Pittsburgh is following the course we predicted, and although the Dodgers may now be out of the pennant race, with Drysdale having a good year and Sutton coming along, and with their improved power, they could still be a first division threat.

Cincy has hung in there despite a series of bad injuries to good men, and Atlanta still needs the pitching.

The Giants may have gotten their shortstop in Groat, if his ankle comes around. But we'll have to amend our original statement slightly by saying that the Giants need a 1966 **Bobby Bolin,** or a reasonable facsimile, as well as that solid shortstop. Incidentally, we wouldn't advocate benching **Lanier,** merely shifting him to second. He hustles and hits in the clutch.

Oh, yes, you notice we didn't mention the Cardinals or the Cubs on July 5. So we'll mention them now but still won't include them in the pennant race.

☆

Neither club has the pitching depth to come down the stretch. They're already beginning to demonstrate that.

Ignore the Cubs and they'll go away. They're an optical illusion. By all means, root for them to knock off the "down" teams now like Cincinnati and Atlanta and the Dodgers, because those are the teams to beat, not the Cubs.

☆

LOCAL NEWS

Giant bonus baby **Al Gallagher** has entered the service for a six-month stretch . . . **Jack Schwarz,** administrative secretary of the Giants' farm system, is a San Mateo resident.

A couple of weeks ago it was learned that the Laguna Salada elementary fifth and seventh grade students scored on a par with other California children o fthat age limit in state physical fitness tests this school year. James Butler, a Pacifica fifth grader, won a Presidential Physical Fitness award in December for his score, which was at or above the 85th percentile on the California tests.

The Pacifica Dolphins, newly formed Pop Warner team, will open their season September 10 at the Terra Nova field against the San Francisco Gladiators. **John Cressa,** last year's head coach of the Gladiators, will assist Dolphin coach **John Racanelli** this year. Cressa last year led the Gladiators to the bantamweight division title. The Dolphins will play eight games, five at Terra Nova.

First signup session for the Dolphins will be July 29 at the Terra Nova practice field. Boys from Half Moon Bay are also eligible. Playing weight will be 115, and any boy whose 14th birthday falls after Jan. 1, 1967, will be eligible for play this season.

☆

Giant fans who grumble about the games they "blow" and what seem to be other glaring weaknesses forget that most other fans in baseball suffer much worse. When yo'ure close to a team, you don't appreciate it. The last time we looked, the Giants had the second best team earned run average, were fourth in hitting, second in homers, second in runs scored. If they were in the AL, they'd be third in hitting, leading the league in home runs and runs scored, and still be near the top in pitching. And how often have they been out of pennant contention since they've been in San Francisco?

☆

Tag End: So you still think major changes occur slowly? The Dodgers, at this printing, are only tied for fifth in the NL in stolen bases, tied for seventh in the majors.

All-Star Action Climaxes Rec Baseball Season

The Daly City Recreation Department climaxed its 1967 Spring Baseball League program last week with a city-wide All-Star Day on July 4.

Approximately 150 boys participated in All-Star games, representing each grade level.

In the Fifth Grade Contest, the North Division All-Stars walloped the South Division All-Stars 27-1.

The lopsided score was due largely to errors and 22 walks given up by the losers. Some fine pitching was turned in by the winners, trough, as Mark Racette, Tom McLaughlin and Phil Diaz combined their efforts to allow only 3 hits.

The North Division's 15-hit atttack was led by McLaughlin who collected 3 hits in 5 trips to the plate. Keith Galiano was the bright spot in the losing effort as he rapped a long triple and scored the only run.

In the Sixth Grade All-Star action, the American Division stars upset the National Division stars by a scor efo 5-4. Leading the American Division surge were Paul Nannini-Dan Mayorga and Steve Rice as each collected timely hits. Bruce Olmanson played a brilliant game at shortstop for the winners as well as scoring two key runs. The National Division stars were sparked by pitcher Gavin Long who set an All-Star Day record as he struck out 25 batters in the losing cause.

In the Seventh Grade game, the champion William's Ford PAL Mustangs rambled past the Western Division All-Stars by the score of 11-3. Tom Piazza pitched brilliant ball for the Mustangs as he went six innings, giving up only one hit.

The Eastern Seventh Grade Division stars blanked the Champion Hunt's Donuts Bombers 6-0 behind the 4-hit shutout pitching of Gary Baptista.

Joe Randolph was the bright spot for the losers, as he collected two of his team's four hits.

In the feature game of the afternoon, the Eighth Grade Junior League All-Stars rallied to an 8-5 win over the Daly City Roadrunners (Team Coaches). The All-Stars were paced by the pitching of Smokey Morton and Dave Bias.

Randy Fitzgerald and Mike Boyd led the winners hitting attack with two safeties apiecé while third baseman Jerry Montague sparkled on defense.

The Roadrunners, coming out of retirement, were led by the hitting of Tom "The Bomb" Seplh and "Swete" Pete Barry. Outstanding defensive plays, for the "old timers" were turned in by Bob "The Fellow" Borghello, "Lucky" Joe Lufrano, and Mike "The Man" Dalton.

Family Life

Seven attendants preceded Maureen Maschinot to the altar of Holy Angels Catholic Church recently where she exchanged vows with Thomas Gonzales. The Rev. Daniel Sullivan officiated.

Mrs. Michael Dirickson was matron of honor for Maureen, daughter of Mr. and Mrs. Charles Maschinot. Bridesmaids were Sandeen and Doreen Maschinot of Daly City, sisters of the bride, Mrs. James Gonzales and Jacquelyn Lutz. A sister, Kathleen Maschinot, was the junior bridesmaid, and another sister, Robyn Maschinot, served as the flower girl. Maureen is also the sister of Mrs. Charleen Hurton.

The bride wore a Spanish lace wedding gown with a scoop neckline and a floor length skirt. She added a cathedral length veil of Spanish lace.

The honor attendant wore a yellow dotted Swiss floor length dress and the bridesmaids, junior bridesmaids, and flower girl wore green dotted Swiss.

Michael Dirickson stood with Thomas as best man, and ushering duties were shared by the bridegroom's three brothers — James, Kenneth, and David Gonzales — and by Douglas Peter, and Charles Stellini.

The ceremony was followed by a reception at the House of Parties in Daly City.

Both Maureen and Thomas attended Westmoor High School. He is the son of Mr. and Mrs. Thomas Gonzales.

The couple honeymooned in Oregon.

Mexican Visit This Summer For San Bruno Girl

Judy Stevenson of San Bruno will be working and vacationing in Mexico this summer.

Judy, who is a qualified elementary school teacher, will attend a six-week summer session at the University of Guadalajara, Mexico, where she will attend classes in Spanish, guidance, and counseling. Side trips will be offered to many of Mexico's spots of interest. The session is held under the auspices of the Associated Colleges and Universities for Programs Abroad (AACUPA).

Judy will return to the Bay Area the middle of August and, this fall, will be teaching fourth grade at the El Robles School in Gilroy.

NELL NORTON

(Sugar 'n Spice)

Greetings, good cooks.

As you know, I am addicted to pies. Just can't seem to break the habit. Whenever I start planning a dessert, pie is the first thing that comes to my mind. Ah me, it's "murder" on the figure.

Recently I tried a few new recipes and renewed my acquaintance with some of the old favorites and I'd like to introduce you to these goodies.

This first pie is an old favorite baked in an unusual way. Apples are plentiful, why not bake an apple pie? Bake it in a paper bag, that is.

PAPER BAG APPLE PIE

1 unbaked 9-inch pastry shell
3 or 4 large apples, about 2½ pounds
½ cup sugar for filling
2 tablespoons flour for filling
½ teaspoon nutmeg
2 tablespoons lemon juice
½ cup sugar for topping
½ cup flour for topping
½ cup (1 stick) butter or margarine
Make 9-inch pastry shell

Pare, core and quarter the 2½ lbs. apples. Then halve each quarter, place in a large bowl.

Combine the half cup sugar, two tablespoons flour, one-half teaspoon nutmeg in a cup, sprinkle over apples; toss to coat well; spoon into pastry shell. Drizzle the two tablespoons lemon juice over all.

Combine the half cup sugar and half cup flour for topping in bowl; cut in the 1-stick of butter and sprinkle over apples. Slide pie into clean brown bag; fold open end twice, fasten with paper clips and place on cooky sheet.

Bake in hot oven (425-degrees) for 1-hour (apples will be tender and top bubbly and golden); split bag open, remove pie and cool on wire rack.

Serve plain or with cheese or ice cream.

CUSTARD PIE is always delicious and quite easy to make. I find this recipe a joy.

VELVETY CUSTARD PIE

4 eggs, slightly beaten
½ cup sugar
¼ teaspoon salt
1 teaspoon vanilla
2½ cups scalded milk
Dash of nutmeg
1 unbaked 8-inch pastry shell

IMPORTANT: Dough for pastry shell should be rolled to a little less than one-eighth-inch thickness. Heat oven to (475-degrees).

Combine the four eggs, one-half cup sugar, one-fourth teas. salt and one teas. vanilla. Mix well. Slowly stir in scalded milk. Pour mixture at once into pastry shell. (To avoid spills, fill shell at oven.) Add dash of nutmeg on top. Bake in a very hot oven (475-degrees) for 10 minutes. Reduce heat to (425-degrees) and bake for 15 minutes longer, or until clean silver knife inserted halfway between center and edge comes out clean.

Cool on rack. Serve cool or chilled. Makes 8 servings.

AS DOES most every homemaker, I have a drawer in the kitchen that is full to the top of junk. It's a true catch-all. Paper clips, unused and expired coupons thumb tacks, string, rubber bands, the little bits of paper you get when you pay the newspaper bill, broken parts of plastic toys. Junk.

For a long time I tried to get my family to raise the tone of the area by calling it a utility drawer, but they saw through my pretense. Also they know junk when they see it. So it's the junk drawer.

Well, it isn't all junk. For in that mess I have clippings on food and many, many recipes I've torn out of magazines, newspapers and off cereal boxes. This next pie recipe is one that has been in that drawer for a long time. I'm glad I discovered it and am happy to share it with you.

CHEESE PIE

1 unbaked 9-inch pie shell
4 eggs
½ cup sugar
¼ cup brown sugar
Dash of salt
1 teaspoon lemon rind
1 tablespoon lemon juice
½ cup coffee cream or half and half
1½ cups cottage cheese, small curd
1 tablespoon flour
½ teaspoon nutmeg
1 teaspoon vanilla
¼ cup chopped pecans

Beat the four eggs and the half cup of white and one-fourth cup of brown sugar together until light. Add the dash of salt, one-teaspoon lemon rind, one-tablespoon lemon juice, half cup of cream, one and one-half cup cottage cheese, one-tablespoon flour, one-half teaspoon nutmeg and one-teaspoon vanilla. Beat thoroughly.

Pour into unbaked pie shell and sprinkle top with the one-fourth cup chopped nuts. Bake in moderate oven, (350-degrees) for about one hour, or until center is firm.

☆ ☆ ☆

FROM CHEESE PIE we come to chess pie. This is a very sweet pie, not unlike a pecan pie in its texture and richness. This is my mother's recipe and it makes a delicious pie.

CHESS PIE

1 unbaked 8-inch pie shell
3 whole eggs
1 stick butter or margarine
1½ cups granulated sugar
1 tablespoon vinegar
1 tablespoon corn meal
¼ teaspoon salt
1 teaspoon vanilla
½ cup each raisins and chopped nuts (optional)

Soften the butter. Mix the one and one-half cups sugar with the one-stick butter and one-tablespoon cornmeal. Add the three eggs, one at a time, beating well after each. Stir in the one-tablespoon of vinegar, one-fourth teaspoon salt and teaspoon vanilla. Add the raisins and nuts, if desired, and pour into unbaked pie shell. Bake at (350-degrees) about 40 to 45 minutes. Or until set. Serve this pie in small portions — it's mighty rich!

Giovannini-Maze Vows

St. Veronica's Church was the setting this morning for the marriage of Marlene Giovannini, daughter of Mr. and Mrs. Mario Giovannini of South San Francisco, and Henry Maze, son of Mr. and Mrs. Gilbert Maze of Oakland.

The couple exchanged vows at 11 a.m. before an altar banked with white gladioli. They later received felicitations at the Hyatt House in Burlingame. There pink carnations decorated the tables and carnations and stock were used on the bridal table.

Marlene, who was given in marriage by her father, wore a dres of silk and Alencon lace with a stand-up collar and cap sleeves and a rectangular lace-edge train. She caried white stephanotis, carnations, and orchids.

When she left for her wedding trip to Monterey Peninsula, the new Mrs. Maze had changed to an orange skirt, a purple shell, and a varicolored striped chanel jacket.

Joanne Giovannini, maid of honor for her sister, chose an azalea pink crepe sheath under a chiffon cage. She carried carnations and stephanotis.

The same dresses and mauve and lavender flowers were chosen by the three bridesmaid — Clare Zlatunich, Beverly Bonalanza, and Milda Grusas.

Mrs. Giovannini wore a pink Italian silk dress and coat with a pink petal hat, and Mrs. Maze wore aqua lace over beige crepe with an aqu hat. They pinned on white orchids.

Michael Maze stood with his brother as best man, and guests were seated by Thomas Woelffer, James Popavich, and Dennis Giovannini, brother of the bride.

The new Mrs. Maze attended Mercy High School, the College of Notre Dame, and San Francisco State College. She is an elementary school teacher.

ORT Plans A Social Meeting

A social evening has been planned for 8 p.m., July 19 by Buena Vista Chapter of ORT (Organization for Rehabilitation through Training) at the home of Mrs. Michael Kurtzman, 2470 Olympic, South San Francisco.

New and prospective members and their husbands are invited. For further information contact Mrs. Robert Rudee (756-6514) or Mrs. Michael Kurtzman (583-1411.)

EDWARD MAZZEI, SHARON LORENZO

Lorenzo, Mazzei Troth Told

A garden party at their San Bruno home was the occasion for Mr. and Mrs. Bincent Lorenzo to disclose that their daughter, Sharon Ann, is the future bride of Edward Mazzei.

Sharon was graduated from Mercy High School and is a member of the Mercy Alumnae Association in Burlingame.

Edward, son of Mr. and Mrs. Walter Mazzei of South San Francisco, has just been graduated with honors from the College of San Mateo and has been elected to permanent membership in Alpha Gamma Sigma. He also was selected as CSM's nominee for the "California Junior Merchandising Student of the Year," presented by the state department of education.

The wedding will take place sometime at the beginning of the year.

What Children Do With Hands

The things youngsters can do with their hands was shown last week in the Arts and Crafts program at the Daly City Recreation Department.

A few straws, a lot of string, nible fingers and youngsters throughout the city came up with all sorts of involved and complex geometric figures The ultimate goal being a 20 sided figure bearing the name: do deca-hydron.

The youngsters at Vista Mar School proved very able. Mike Rodouski, Kim Gregg and Barbara Horn, early to complete their straw spheres, became first-rate teachers and helpers to the other participants.

CALLING ALL HOMEMAKERS

By Donald C. Waite

DON'T FURNISH YOUR HOME! DECORATE IT!

Isn't it a thrill to walk into a home that's beautifully decorated.

The decorated home is furnished with ideas, sometimes daring, sometimes conservative, according to taste, but it's done with individuality and imagination.

For some reason, many people are scared to use originality and afraid of color, with the result that so many homes are furnished the same old way, colorless and unimaginative.

Try a white table and chairs with a black lacquer buffet in your dining room with brightly colored Oriental wall accessories over the buffet.

Get away from the same old sofa with a matching pair of end tables and lamps on each side. Perhaps your room will take a pair of love seats or small sofas facing each other with a large marble cocktail table or a group of small snack tables in between.

Use a pair of fruitwood night tables with your white French Provincial bedroom suite. Use contrast in your wood finishes as well as in your color scheme in your living room.

If you have more lamps than you really need in your living room, substitute a colorful group of real or artificial flowers for one of the lamps. That's decorating.

And remember you have our special invitation to come in and visit with us and see some exciting decorating ideas. We look forward to seeing you.

Our decorators, here at Sterling Furniture in Westlake Shopping Center, are at your service no matter what your decorating problem may be. We are open Wednesday and Friday evenings 'til 9 p.m. for your shopping convenience or call PL 6-7500. Copyright.

'Know Your Community'

"Each citizen of a community should try to help better her community. If all citizens would help in a small way, then their collective effort should produce a large improvement." . . .

"The best thing any person can be is aware of what is happening in the community. Become familiar with what is taking place in all age groups — not only your own." .....

"The most anyone can lend a community is enthusiasm. Enthusiasm is very contagious and if properly channeled may reap many benefits." . . .

☆ ☆ ☆

THOSE QUOTES are from the pen of Jefferson High School graduate Jeanette Wertenberg, whose critique on life could be summed by the late Dag Hammarskjold's statement;

"Goodness is something so simple; always to live for others, never to seek one's own advantage."

It's a perfect compliment and commentary on Jeanette's way of thinking and living.

☆ ☆ ☆

A graduate of Our Lady of Perpetual Help School and one of Jefferson's 1967's honor students, Jeanette made her comments in a review of a project undertaken by the students at Jefferson and Westmoor.

"Jefferson and Westmoor have been trying very hard to further good relationships between the two schools" she said, "This would make for a healthy community atmosphere. There have been many good ideas for joint school activities, but, without parent support, the ideas could not go far.

"As a member of the student council I came to realize this situation. It is very sad to have all of our plans dissolved because there was no one who had enthusiasm to back our ideas. Even if there had been one person interested in our project it would have given we students some hope.

"I hope that as an elementary school teacher I may return to Daly City and teach. And, through my teaching, I may become an active part of community life," Jeanette stated.

One of the finest students in her class, Jeanette received the Daly City Branch of the Association for Childhood Education Scholarship, and the first place award in the Daly City Colma Lion's Club Essay contest, she has also had an active schedule of extra-curricular activities.

She was vice president of the United Nations Club, vice president of the Junior Statesmen of California Club, the secretary, treasurer and a marching member of the Jefferson Marching band, a member of the Jefferson Orchestra, Rally Club, Drama Club, the French Club. She was vice-president for sales in a Junior Achievement company. During her four years at Jeff she took part in the model United Nations, San Francisco State College Speech Tournaments and Brisbane Lions Club Speech contests, as well as being Jefferson representative on the Lingston Bros. High School board, vice president of the student body and the junior class, sophomore class secretary, and Democratic Party Chairman at the model senate.

JEANETTE is musical, playing the piano, organ, oboe and the glockenspiel. For the past five years she has donated time and talent to her church. Each Sunday morning she provides the organ background for the Mass at Our Lady of Perpetual Help Catholic Church in Daly City.

In addition to music she enjoys an occasional venture into public speaking and writing.

"High school years are a time for learning — learning about yourself, about your friends, and about the rest of the world," she said.

"I will still continue to learn about myself and the rest of the world, but many of my friends who have learned so much with me, will no longer continue a formal education. So many of the friendships that have formed will be left behind as we leave Jefferson," Jeanette said.

☆ ☆ ☆

AHEAD is college, and Jeanette is eager for more than a bachelor of arts degree.

"My ambition is to become a teacher," she explained. "I shall begin with a major in elementary education in my first four years of college and hope to continue until I have my masters degree.

"It has been my goal to teach ever since I entered high school. I feel if I can instill the JOY of learning in children, they will always have a craving for more knowledge".

She added, "I believe, as President Kennedy once said, "Children are the world's most valuable resources, and its best hope for the future."

Jeanette, daughter of Mr. and Mrs. Harold Wertenberg, is one of three children, and she thinks she should help finance her college education.

THE TOIVO RAJASALUS (Joy Brodeur)

Promises Made At Immaculate Heart

The Rev. Richard Mayo read the vows for the recent wedding of Joy Brodeur and Toivo Rajasalu at the Church of the Immaculate Heart of Mary in Belmont.

The bride, the daughter of Mr. and Mrs. Howard Brodeur, was given in marriage by her father. She chose a floor-length sheath of re-embroidered Alencon lace and organza with a sleeveless coat of organza and lace. Red roses made up her bouguet.

Patricia Brodeur preceded her sister down the aisle as her honor attendant in pink linen and organza. The bridesmaids, Mary Chezzi and Mrs. Juanita Palmer, both of San Mateo, and Piret Amak of South San Francisco, wore similar gowns in lavender. They all carried daisies.

Robert Wickstrom served as best man for Toivo and his brother, Mati Rajassalu, Skip O'Brien and Audie Patterson seated the guests. Toivo is the son of Mr. and Mrs. Osvald Rajasalu of Millbrae.

Joy is a graduate of Carlmont High School and attended the College of San Mateo. Her husband, a graduate of South San Francisco High School, served four years in the navy. He now attends CSM.

After a reception at the Elks Club of Redwood City, the couple left on a wedding trip to Carmel. The new Mrs. Rajasalu chose a three-piece lime green ensemble for travelling. They will live in San Mateo.

Joseph Bracco, Margaret O'Neill Wed Recently

Joseph William Bracco, son of Mr. and Mrs. Joseph Bracco of South San Francisco, claimed the hand of Margaret Ann O'Neill recently at Our Lady of Angels Church in Burlingame.

The noon ceremony was followed by a reception at the Burlingame home of the bride's parents, Mr. and Mrs. Gilmore O'Neill.

Midge, as the bride is known, wore a gown of organdy and lace with an illusion veil.

Kate O'Neil, her sister's maid of honor, set the style of dress for the secondary attendants, with her peach linen gown. Bridesmaids were Barbara O'Neill, another sister of the bride; Sue Bracco, sister of the bridegroom; Lee Heagerty, cousin of the bride; and Patty McCoy of San Francisco and Judy O'Connell of Burlingame.

Tom Smith of Massachusetts was best man, and guests were seated by Brian O'Connor of New Jersey, Dave Witchger of Indianapolis, Bill Weinscheimer, Larry Soletti, Bob Taldabini, and Rory O'Neill, Midge's brother.

The bride is also the sister of Mary and Joan O'Neill. She was graduated from Dominican College in San Rafael.

Joseph, who has a married sister, Mrs. Terence Garrigan, was graduated from the University of Notre Dame.

The couple honeymooned in Northern California and is living in Mill Valley.

KITCHEN RULER

Need to know the depth of a pan? Measure by placing a rule down the inside of a side. It's a good idea to keep a steel ruler — available at art supply shops — for kitchen measuring. When you use such a ruler for measuring rolled-out pastry dough, for example, you can easily wash the ruler before putting it away.

SOUR CREAM SAUCE

To concoct an interesting accompaniment to fish, mix commercial sour cream with salt, sugar and vinegar to taste and add thinly sliced pared cucumber slices.

Cereal Ice Cream Parfaits Tasty

Surveys among homemakers and teen-age girls, who frequentl skip or skimp breakfast, reveal that one reason given is "just n hungry in the morning." This is when mom's ingenuity is pu to the test.

For example, a basic cereal and milk breakfast is a convenien adaptable meal which suits the needs of all family members, wit little effort. It can be prepared in the time it takes to make th coffee. Yet, when that springtime craving for something differen but equally quick to prepare is wanted, Cereal Ice Cream Parfait offer a delightful solution.

Even teen-agers can take over in preparing such a breakfast. Just spoon crisp, ready-to-eat cereal, such as whole wheat flakes, in parfait glasses, alternating with spoonfuls of vanilla ice cream and sliced, sweetened strawberries. Garnish the tops with a few sliced berries. Add buttered toast, orange juice, and glass of milk for a nutritionally adequate meal.

Make Your Own 'Sundae Specials'

Here's a trio of sauces to make your own "sundae specials" any day of the week! Everybody's favorite Hot Fudge is equally good and goo-ey cold! Glowingly pink Peppermint Stick and sophisticated Coffee Pecan are great for change-of-pace flavor. The rich and creamy qualities of smooth-blending evaporated milk assure success of these preparation-easy sauces.

Hot Fudge Sauce: In a small saucepan add 1 package (6 ounces) semi-sweet chocolate chips to ¾ cup evaporated milk. Stir over low heat until chocolate is melted and sauce is smooth. If desired, add ½ teaspoon vanilla. Serve warm or cold. Makes about 1 cup sauce.

Peppermint Stick Sauce: In a medium saucepan mix 1 cup sugar, ¼ cup water and ½ cup light corn syrup. Bring to a boil, stirring constantly. Continue cooking 3 minutes over medium heat. Remove from heat; add ¼ cup crushed peppermint stick candy and stir until dissolved. Stir in ½ cup evaporated milk. Just before serving, stir in an additional ¼ cup crushed peppermint stick candy. Makes about 1½ cups sauce.

Coffee Pecan Sauce: In a medium saucepan mix 1 tablespoon instant coffee with 1 cup sugar. Stir in ½ cup light corn syrup and ¼ cup water. Bring to a boil, stirring constantly. Continue cooking 3 minutes over medium heat. Remove from heat and cool 5 minutes. Stir in ½ cup evaporated milk. Before serving, stir in ½ cup chopped pecans. Makes about 1 cup sauce.

Beat Heat With Tuna-Go-Round

When you feel like having a cool dinner on a warm day, try a Tuna-Go-Round Salad. The salad, as cool to make as to eat, is heartier than it looks or tastes—just the thing for summer.

Tuna, rich in protein and minerals, is solid nourishment combined with a delicate flavor that fits perfectly into a salad picture. Canned tuna is especially valued these days as an economical source of complete protein. As always, the tuna eliminates cooking chores; in this instance, you need not even mix it with other ingredients. Simply put it in the salad as is; the dressing provides a natural mixer at serving time.

Tuna-Go-Round Salad

1 small head cabbage, shredded
1 cucumber, sliced
2 cans (6½ or 7 ounces each) tuna in vegetable oil
3 tomatoes, coarsely diced
2 carrots, shredded

Place cabbage in salad bowl; overlap cucumber slices around cabbage to make border. Make a well in the center of cabbage and fill with tuna. Surround tuna with diced tomato. Sprinkle shredded carrots just inside cucumber border. Serve with 1 cup mayonnaise or salad dressing thinned with 2 tablespoons lemon juice and seasoned with 2 tablespoons each chopped green pepper, parsley and chive.
YIELD: 6 servings.

Fresh Apples, Corned Beef

The emphasis is on flavor rather than frills in this tasteful pairing of favorite family foods. Hearty and homey, the Fresh Apples and Corned Beef Platter features tart and tangy all-purpose Washington Winesap apples as the perfect taste complement to savory corned beef with cabbage wedges. The Washington Winesap, a late-harvested, rosy-red apple, with a tangy flavor, and crisp, fine-grained flesh, will keep both flavor and shape as it's being cooked with the meat and cabbage. The addition of caraway seeds adds a piquant touch to this easy-does-it dinner.

Fresh Apple-Corned Beef Platter

- 4 lbs. corned beef
- 1 stalk celery and leaves
- 1 carrot, thinly sliced
- 1 small onion, quartered
- sprigs of parsley
- 1 tbsp. caraway seeds
- 4 Washington Winesap apples, cut in ¾ inch rounds
- 1 medium cabbage, cut in wedges

Cover corned beef with cold water, add celery stalk and leaves, finely sliced carrot, quartered onion and parsley sprigs. Bring to boil, reduce heat, cover and simmer until meat is tender (about 4 or 5 hours.) About 15 minutes before serving time increase heat, add caraway seeds, apple rounds and cabbage wedges (secured with picks.) Bring to boil, cook 5 minutes, reduce heat to simmer and continue cooking about 5 minutes more or until apples and cabbage are tender. Place corned beef on a platter and surround with cabbage wedges and apple slices. Serves 6.

Wake Up Beef For Breakfast

California and Oregon Beef Councils Photo

A new way with breakfast eggs is burgered! Simply pile creamy scrambled eggs on toast and top with a broiled patty of flavorful western ground beef. The teenage breakfast skippers will approve. If mornings are rushed around your house, make the patties up ahead and store in refrigerator or freezer. Popular, easy to broil cube steak, is another way to beef up breakfasts giving variety as well as nourishment.

Remember the protein you eat in the morning will see you through a good part of the day.

Wake-Up Beef Special

- 1 pound ground lean beef
- 1 teaspoon seasoned salt
- Hot buttered toast
- Scrambled eggs

Mix beef and salt lightly. Shape into 4 patties. Pan broil in hot oiled skillet. Cover toast with scrambled eggs and top with beef patty. Garnish plates with orange slices. Makes 4 servings.

Compare The Calorie Costs

Compare calorie costs. If all foods were purchased in terms of calories — the unit measure that shows how much energy a food supplies — cost comparisons would be surprising. Calories are supplied by fats, proteins and carbohydrates — whether they come from meats, dairy products, cereals and breads, vegetables and fruits, beverages, or sweets. The sugar carbohydrates produce energy faster than any other food nutrient. Eighteen calories in each teaspoon.

How much does a sugar calorie cost? There are approximately 114 teaspoons of sugar to a pound. Retailing (in New York) for about 23 cents a pound (even less in larger packages) one teaspoon of sugar costs just about two-tenths of one cent. And per calorie? Simple. Divide that cost by the number of calories in a teaspoon for the answer. The cost of one calorie of quick energy from sugar is one-hundredth of one cent.

YOUR BRIGHT LIGHTER is proud to add to his roster of fine restaurants one of the newest dining attractions on the Peninsula, **Alexi's Zorba Restaurant,** located adjacent to the Hyatt Cinema in Burlingame. Owned by **Mike Kourkoutakis, Alexandros Findrilakis and Michael Nicolas,** Zorba's will offer the ultimate in Greek cuisine and entertainment. Chef **Peter Alex,** the "Master Chef" of the Greek Pavillion at the New York World's Fair 1964-1965, shows the typical Greek gusto as he prepares the authentic dishes served in Greece. The exciting guitar of **Syllas,** with accordion accompaniment by **Kostas,** will be a nightly attraction. **Manolis Amboliotis and his Orchestra,** featuring lovely **Marina Manouella,** one of Greece's great vocalists, play for dancing and listening pleasure from 9 p.m. to 2 a.m.

GLENN RAYE, the dynamic singing, tap - dancing phenomenon at the **Cameo Club,** Palo Alto, is a powerhouse of energy who sings ballads, show tunes, jazz and rock. Another standout is **Robert Rene,** the droll juggler, who tosses Indian clubs, cigar boxes and whatnot, and seems to defy gravity as he carries on sly comedy dialogue with the audience . . . **Dave Rapken** has a dandy show at his **Galaxie** on SF's Broadway topped by **Jeani Monroe** and **Dyonne.** For great music and songs, it's the **Music Shop Combo** . . . One of the nightly show-stoppers at **Finnochio's** is talented **Laverne Cummings,** whose makeup and stunning wardrobe, plus his smooth - singing voice, fools even the regulars at this famous house of female impersonators. Laverne's performance is again attracting the attention of Hollywood scouts. Don't be surprised if you hear about his signing for a film role soon. . . .

THE WAY TOURISTS are targeting San Francisco's Fisherman's Wharf reminds one of a salmon up-stream run. **A Sabella's, George Burger's Franciscan,** and **Sil Oliva's Exposition Fish Grotto** have always been tourist favorites, let alone regular haunts for localites — this year looks like another banner one on the Wharf. . . . For a tasty noontime meal, try the French Dip Sandwich at **Bruno's** of San Mateo. The dip recipe is "classified," and **Tom Zucchelli** is even thinking about marketing it . . . Manager **Ralph Le Pinski** reports **Stickney's of San Mateo** has served as host to a record number of wedding receptions during the just-ended month of June. Wedding parties up to 300 people can be accommodated in the restaurant's separate reception facilities. Includes a private dance floor, and is served by a separate kitchen . . . **Don Dianda,** chief guy at **Doros,** was born in Lucca, Italy and takes pride in using olive oil from that city with his gourmet foods.

ROABEES ARE GOING TO THE BASEBALL GAMES! When the Giants are in town, **Roabee** "king" **Joe Acosta** reports that business at the Drive-Up Window is definitely increased. It seems that Roabees (Roast Beef Sandwiches) hot or cold are "Take Me To The Ball Game" specials. In fact, Joe has already decided to add extra help this weekend when the Dodgers arrive . . . **Ernest Luisetti,** host and co-owner of **La Touraine,** the fine French restaurant in Burlingame, and chef **Maurice Brossier** offer the same delightful French cuisine to be found in the famous San Francisco restaurants, but at prices much more reasonable . . . The large elk's head hanging above the backbar at **Enrico Romano's** Pacifica restaurant isn't a gift from one of the lodges. The "pizza king" bagged the trophy in the hills of Wyoming. Understand Enrico has received several medals for his shooting ability. . . .

IT WAS ALMOST LIKE a Mardi Gras when **Bernard Abrams, Al Wagner** and **Norris Palmer** "cut the ribbon" at their **V.L.P. Lounge** located in the new Mills Square. Judging from the handshaking that took place here during their recent opening one would think the new owners of this elegant cocktail lounge were running for political office. The big event of the opening evening was the purchase of the first drink with a 2½ dollar gold piece, which, I understand, is a collector's item — and believe me, this one was "collected." You'll be hearing a lot about the V.I.P. Lounge and its owners, Bernard Abrams, Al Wagner and Norris Palmer. . . . Situated in the heart of San Francisco, **Oreste's** is known by its noted clients for its excellent Tuscany Italian cuisine. One may enjoy a quick lunch or a leisurely one—and this also holds true for dinners.

LUCIEN SABELLA reports a banner banquet booking for his plush **A. Sabella's** restaurant on Fisherman's Wharf. Even 1968 is starting to fill . . . July Fourth marked a family gathering which has been a tradition for the **Alfinito family,** owners of **Rudolfo's** in Palo Alto. The entire clan, which includes the families of **Art, George, Al, Rudy** and **Harry,** plus their mother, and scads of cousins, in-laws, Stanford students, took over the Blackberry Farm grounds in San Jose. It was a gala party—abounding in good food, ample beverages, plus baseball, horseshoe and all manner of sports . . . Taste Tip of the Week: Cordon Bleu Dinner at the **Matterhorn** Swiss restaurant in Burlingame. Cordon Bleu (Breaded Veal stuffed with ham and Swiss cheese), prepared by chef - owner **Wilfried Blarer,** is served with salad and choice of soup or juice . . . **Phil Lehr's Steakery** at Taylor and Ellis in San Francisco serves complete steak and lobster tail dinners until midnight seven nights a week.

Villa Chartier's Winchester Room Most Requested

"Marion," one of **Emerson Murfees'** "right hands" at the **Villa Chartier,** says there have been many inquiries about the Gift Certificates. Bruno Board Discusses Flood Plans

Discussion about Crestmoor park was only one of several subjects discussed last week at a luncheon meeting of San Bruno and county officials.

Members of the Board of Supervisors said it would be entirely up to San Bruno officials to decide whether to pull out of the park deal.

These other subjects came up:

San Bruno Freeway Councilman Karney Barbarian reported that the city has succeeded in advancing the state's plans for the project and urged the county to continue to back the city's efforts.

Flood control —Deputy County Engineer S. H. Cantwell reported that establishment of a San Bruno Creek Flood control zone is being delayed because San Francisco officials have not approved the agreement. San Francisco is involved because International Airport will be in the zone. It was agreed that Cantwell will try to get some action in San Francisco. It was indicated that the county will advance the city $70,000 for preliminary engineering, to be repaid from project bonds or by the city in the event the bonds fail.

Hotel tax — San Bruno was encouraged to get into the county - wide hotel-motel tax agreement, in which a percentage of revenues would go into a central fund for promotion of tourism and conventions. Supervisor James V. Fitzgerald suggested that the old Tanforan grounds would be a good place for a major hotel.

Green Valley — Concern about the acquisition of the Green Valley dump site was expressed. County Manager E. R. Stallings reported that appraisals have been made and that the county is proceeding with the acquisition. He said the county is committed to buy the site even though hoped-for federal funds are not forthcoming. San Bruno, which presently uses the South San Francisco dump, will use the Green Valley site in the future.

Fourth Pacifica Marine Killed

Word was received last week of the death in combat of Marine Pfc. Medford A. Chrysler, son of Mr. and Mrs. Adarine M. Chrysler, 1411 Madeira Drive, Pacifica.

Pfc. Chrysler was the fourth Pacifican to die in Vietnam, all of them Marines.

News of the death was brought to the home on July 4. Pfc. Chrysler was grenade launcher and fire platoon leader of his platoon during the savage fighting near Con Thien.

A native of Hollister, Pfc. Chrysler lived at Madeira Way for 12 years. He was a student at Pedro Valley School, Linda Mar and Sanchez School and was graduated from Terra Nova High School in 1965.

He is survived by his parents and by twin sisters, Katheryn and Karen, 13, and brothers, Dennis, 16 and Eugene Walker, 24, a half brother.

The city council will adjourn in his memory next Wednesday.

S.S.F. Police Arrest AWOL

An AWOL soldier from Fort Hood, Texas was arrested by South San Francisco police last week as he and a male companion were "sightseeing" on a stolen motorcycle.

Police stopped Pvt. Curtis W. Fodge and a 17-year-old youth while the pair rode around town on a motorcycle stolen earlier from a San Francisco dealer.

Upon questioning, Fodge told police he had left Fort Hood without authorization on July 1 and came to the Bay Area "for a sightseeing visit."

Military authorities said Fodge was assigned to Company B, First Battalion, 52nd Infantry at the Texas base and was a native of Project City, California.

Special Bruno Swim Lessons

Special people need special programs, according to San Mateo Region Red Cross.

That's why the Red Cross has spent time training their volunteer water safety instructors in special skills — certain ways to help metally retarded youngsters to learn to know and enjoy the water.

Starting Monday were the sessions of swim classes for the mentally retarded at the San Bruno Recreation Department pool. They are being held from noon until 1 p.m., and all children in this category are welcome, from seven years up through their teens. Mrs. Peter Linde is coordinating the program.

When the Red Cross training program began, Charles (Spud) Abbott, veteran Red Cross water safety instructor, taught a group that included several College of San Mateo students how to work with these special children. This group of volunteers is now working with these special swimmers in the San Bruno pool.

Special Instruction

SPECIALLY TRAINED San Mateo Region Red Cross volunteer safety instructors are working with the mentally retarded at swim sessions at the San Bruno Recreation Department poll this week. They include, from left, Opan Imprescia of South San Francisco, Mrs. George Mutto and Christina Kelley, both of San Bruno. They are shown with their instructor, veteran Red Cross volunteer Charles (Spud) Abbott of Burlingame.

Church Has 13 Classes On Sunday

Thirteen age-geared Bible-centered church schol classes meet each Sunday morning at Westside Baptist Church, 2322 Crestmoor Drive, San Bruno.

Church School Supt. Alton Swedberg invites newcomers in the community, or those on vacation, to attend one of these classes this Sunday morning.

"A Unique Person" is the sermon topic chosen by Pastor A. David Donnelly for the Sunday 11 a.m. morning worship service.

The adult choir will sing. Primary church for children, ages four through seven, has resumed under direction of Mr. and Mrs. Bill Anderson.

There will be no Sunday evening services at Westside Baptist Church, since friends and members will travel to the Lake side Baptist Church in Oakland ofr a baptismal service.

Host Pastor Eric Lindholm will deliver the message.

Prayer and Bible Study Hour of the church will meet today at 7:45 p.m. at the church parsonage, 3370 Longview Drive, San Bruno.

Day of Woe For Widowed S.F. Woman

Thursday was a day of grief for Mrs. Lilliam Katherine Reilly of San Francisco.

In the morning she attended the funeral and burial of her husband, James.

That night she was involved a traffic accident in South San Francisco in which she and two others were injured.

And the investigating officer recommended that she be cited for causing the accident.

Highway Patrolmen Virgil Flack and David Hellman said the accident happened at 9:40 p.m., at Junipero Serra and Westborough boulevards. Glenn M. Briggs, 25-year-old mechanic of 554 First Avenue, San Bruno, and Louis A. Arata, 43-year-old engineer of 1219 Redwood Way, Millbrae, had stopped their southbound cars for the red light.

The officers said Mrs Reilly's mind might have been on other things when her sedan crashed into the rear of the Briggs' car, which in turn knocked the Arata auto across the intersection.

Taken to Peninsula Hospital for treatment were Mrs. Reilly, 54, who suffered multiple contusions and abrasions, Briggs and his wife, Sandra, both of whom sustained back injuries. All were released after treatment.

The officers recommeded that Mrs. Reilly, whose husband was buried yesterday in Holy Cross Cemetery, be cited for driving too fast for conditions.

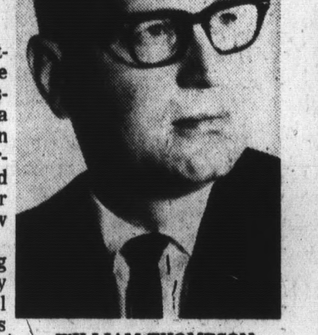
'Witnesses' Head For Conclave

SOME 109 Jehobah's Witnesses from Daly City will be leaving this week for their district convention at the Santa Clara County Fairgrounds in San Jose, July 13-16. The conference has been organized and sponsored by the Watchtower Bible and Tract Society of New York.

William Thompson, presiding minister of the Daly City Congregation, said that all local meetings will be cancelled this week. An invitation was extended to all in the community to attend the highlight of the gathering on Sunday, July 16, at 3 o'clock, when District Supervisor Arden B. Stutler will speak on the subject, "Rescuing a Great Crowd of Mankind Out of Armageddon."

Over 10,000 are expected to come from 13 Bay Area counties and will include entire families.

"Johovah's Witnesses always worship together as a family," Thompson said, "so we never shuttle the family off to a separate meeting. Visitors will notice families sitting together in groups to share the important Bible information for our time."



WILLIAM THOMPSON

Many of the families from this area will be staying in rooms in the convention city which were obtained by 1,000 volunteer workers going from house-to-house in search of accommodations "For a convention this size we need more than the hottels and motels can provide," Thomspon said. "It is a fine thing when homeowners open their homes to the visiting delegates."

JAPANESE MANDARIN ORANGE SHERBET

Sherbet With a Japanese Flair

American homemakers living in the "Age of Convenience Food" have had little opportunity to brush up on some delightful culinary skills. Making ice cream sherbet is one of these. A homemade fruit ice has more tang than the store-bought variety — especially if it's creamy orange sherbet — made with Japanese canned Mandarin oranges.

Sherbet is not difficult to prepare, but it does take a little time because it has to be frozen, then beaten smooth and refrozen twice. But it is a labor of love since the results are so fresh, fruity, and flavorful. Using the succulent little sections of Japanese canned Mandarin oranges is what gives this recipe its unique flair.

Canned Madarin oranges, a specialty of Japan that has found favor — not to mention flavor — with American homemakes, are seedless, rindless and uniform in size. They're wonderful to use in dessert recipes both as an ingredient and as a decorative garnish.

For a really refreshing summer special, make "Creamy Japanese Mandarin Orange Sherbet" and to really top it off, prepare the suggested fruit "sundae" sauce as well. This cool treat for hot days will delight your family or guests. You'll find that the ounce of preparation was worth the pound of compliments!

CREAMY MANDARIN ORANGE SHERBET

2 11-ounce cans Japanese Mandarin Oranges
1 envelope unflavored gelatin
¼ cup water
¼ cup scgar
1 cup milk
1 tablespoon lemon juice
1 cup heavy cream, whipped

Turn temperature control of refrigerator or freezer to coldest setting. Soften gelatin in ¼-cup water in measuring cup. Place cup in pan of boiling water and heat until gelatin is dissolved. Meanwhile, drain juice from one of the cans of Mandarin oranges and reserve. Put Mandarin segments from one can through food mill or in blender to make puree. Drain juice frim second can of Mandarin oranges, reserve segments. combine juice from both cans with Mandarin orange puree. Add sugar and melted gelatin, stir until sugar is dissolved. Stir Mandarin orange mixture into milk. Add lemon juice, stirring. (It may curdle). Place in ice cube tray and freeze until frozen one-inch in from edge. Turn partly frozen Mandarin orange mixture into large mixing bowl and beat until smooth. Combine whipped cream and freeze again until one-inch in from edge. Return mixture into bowl and beat smooth. Fold in reserved Mandarin orange sections and return to freezer until firm. Makes 1½ quarts.

MANDARIN ORANGE DESSERT SAUCE

1 11-ounce can Japanese Mandarin Oranges
½ cup Mandarin orange syrup
1 teaspoon cornstarch
1 tablespoon granulated sugar
1 teaspoon lemon juice
Pinch salt
½ to ¾-cup fresh berries (optional)

In saucepan combine cornstarch and sugar. Stir in juice drained from Mandarin oranges, lemon juice and salt. Cook, stirring, until mixture thickens and clears. Fold in Mandarin orange sections, chill. Fold in berries just before serving. Make 1½ cups without berries.

MANDARIN BANANA SPLIT

For each serving, halve a banana. Place large scoop of "Creamy Mandarin Sherbet" on top of banana halves, cover with Mandarin Orange Dessert Sauce.

OLIVE CREAM PUFFS

Fill miniature cream puffs with a snappy mixture of flaked crab, mayonnaise, few drops of chili sauce and California ripe olive pieces. Delectable dainties perfect for teas.

French Region of Limoges Holds Much for the Adventurous Tourist

LIMOGES — One of the regions of France most blessed with beauty and variety is that formed by the provinces of Limousin, Marche, Quercy and Perigord, in the southwest. These four provinces are also counted among the richest for fine food.

The entire area — known to very few Americans — is a feast for artists, gastronomes and castle-hunters. There are literally hundreds of fortresses and castles, and evidences of human history that reach infinitely further back — to days when our ancestors inhabited uncomfortable and drafty caverns hollowed from rocky cliffsides. After thousands of hidden years, their wall paintings can be seen at Les Eyzies, Cabrerets, Rouffignac and other famous caves.

Ancient Gaul, Rome, the Middle Ages and the Renaissance have also left their mark. One old Gaulish city — Lemovici — had its small beginnings on the right bank of the River Vienne, and has grown into a large and flourishing town, today's Limoges, capital of Limousin, and the industrial, commercial and tourist center of the entire region.

The enamel and porcelain industries of Limoges are world-famous. Chased enamels of the twelth, thirtieth and fourteenth centuries are among the world's finest works of art. The Municipal Museum, in the former Episcopal Palace, with its beautiful terraced gardens, has a collection of 300 enamels, and the National Museum holds a truly magnificent ceramic collection of 10,000 pieces, rivalling that of Sevres.

About 50 miles to the east of Limoges, in the old province of Marche, lies another shrine of ancient French industry and art. This is Aubusson, where tapestries have been worked since the early fiftienth century. In the nineteenth century tapestry weaving underwent a decline, but after 1940, several workshops succeeded in recapturing both the technique and inspiration of the Middle Ages. The driving force behind this vigorous revival was the great artist, Lurcat. An exhibition of tapestry is held from July to October every year in Aubusson's Town Hall.

Among the countless castles scattered broadside across the countryside to the south, is Pompadour, a fifteenth century fortress given to Antoinette Poisson by her royal admirer, Louis XV. With the castle went the title of Marquise, and together they made the name of Pompadour forever famous.

Louis established both a horse and mule-breeding stud here. The horse stud ranks with Normandy's Le Haras du Pin as the most interesting in France, and can be visited every day.

Thirty miles or so to the south is the very fine eightienth century castle of Rastignac, which is likely to interest Americans prticularly, because of its extraordinarily striking resemblance to the White House in Washington. It has the same colonnaded projections, the same simple wings, and the total resemblance is too strong to be merely coincidental.

The area that lies immediately to the south of Rastignac is that which gained for Perigord the title "Cradle of Prehistory." The Lascaux Caves, discovered accidentally in 1940, with their powerfully evocative prehistoric wall paintings, have had to be closed indefinitely because of deterioration of the frescoes through exposure, but at nearby Les Eyzies-de-Tayac the presence of Pre-History seems almost tangible in its carved caves and Museum.

An easy drive from here is one of those splendid castle homes converted into a hotel. The 4-star Chateau de Castel Novel, at Varetz, is pecaefully tucked away in a vast private park, and looks like the setting for one of Colette's romantic novels.

Brand new hotels are springing up constantly in this area. One of the latest is the 50-room Rush Hotel at Terrasson, on Highway 89, between Brive and Perigueux. To the southwest of Perigueux lies another prime attraction of the Department of the Dordogne: the Chateau of Montaigne.

Near Rouffignac is the Cave of 100 Mammoths, so-called after a remarkable frieze painting of these lumbering pre-historic beasts, and not far from Cahors, with its towered bridge, is Cabrerets, one of the great pre-historic centers. The most startling aspect of the frescoes here is that of a series of human hands, outlined in red and black, conjuring up images of forgotten rituals.

Local rituals very much alive are those of the kitchen. The production of goose-liver pate with truffles requires almost sacrificial rites. Locally grown and cured hams, poultry and a variety of game are only a few of Perigord's other gastronomic offerings. Many are the country inns in which to enjoy them.

Moler Heads Kiwanis

James M. Moler, Charles Town, West Virginia school administrator and banker, has been elected president of Kiwanis International at the organization's Fifty-second Annual Convention in Houston, Texas, according to Les Williams, president of the Kiwanis Club of San Mateo-Downtown.

As leader of the international service organization, Moler will be spokesman for its 275,000 members in 5,500 clubs throughout the United States, Canada, Mexico, the Caribbean, the Far East, Western Europe, Central America, New Zealand and Australia. He succeeds Dr. R. Glenn Reed, Jr., Marietta, Georgia dentist, who has held the presidency since August 1, 1966.

Moler has been a Kiwanian for twenty-eight years. Prior to becoming president of Kiwanis International, he served one year as president-elect, one year as vice president, and two two-year terms as a member of the International Board of Trustees.

3 Injured In Crashes

Three persons were injured yesterday in north county auto crashes.

Gerda Jones, 42, of 104 Franz Court, Pacifica, and Catherine June Boston, 17, of 1790 Earl Avenue, San Bruno, were hurt at 3:30 p.m. when cars they were driving collided at Skyline Boulevard and Larkspur Drive in Millbrae.

Highway patrolmen said Miss Boston slowed for a left turn and was hit by the other auto.

The victims were taken to Peninsula Hospital.

Beverly Christian, 43, of 1261 Claremont Drive, San Bruno, was injured at 5:25 p.m. in a two-car crash on Junipero Serra Freeway at School Street in Daly City.

A witness told highway patrolmen that a car cut sharply in front of a southbound sedan driven by Thomas H. Christian, 48-year-old engineer, causing it to go out of control and slue across the highway.

Mrs. Christian, who was thrown out, was taken to Mary's Help Hospital.

Mexican Charreada Set for Cow Palace

A mammoth Mexican Charreada and International Horse Show will make its North American debut at the Cow Palace in San Francisco with four performances — Friday and Saturday, July 21 and 22 at 8 p.m., and Sunday, July 23 at 3and 7 p.m.

This South of the Border version of our popular rodeos will feature bull riding, trick roping, bronco riding and roping, quick jumps from saddle horses to bronco horses, and the singing and riding of Mexico's great singing cowboy actor, Tony Aguilar, and his wife, Flor Silvestre. Dozens of daredevil charros (cowbys) from Mexico will participate in these unique exhibitions, among them Jose de Rodrigo, Antonio de Bazalduas, Antonio Enriquez and Danel de Vazquez.

There will be famed Lipzzan horses from Austria; Andalusian horses from the steppes of Spain; celebrated Paso horses from Peru; Portuguese horses, specially trained for the bull ring; school trained morgan, saddle breed, quarter and Apalusa horses performing tricks never before seen in this country.

In keeping with the Mexican origin of this gigantic show, there'll be Mariachi music, colorful costumes and narration of the proceedings in Spanish and English.

Presented locally by J. Ribamar and J. Borges, the Charreada will move to Los Angeles after its Cow Palace performances, and then make its New York debut at Madison Square Garden.

Tickets, priced at $2.50, $3.50 and $4.50 (with children at half price) are now available at the Cow Palace; the Downtown Center Box Office, 325 Mason Street, and Crane Box Office, San Francisco; all Greyhound Bus Depots; Sherman Clay and Bay Ticket Office in Oakland; San Jose Box Office, and other agencies in Northern California.

"DENTAL HEALTH FACTS"
What is malocclusion?
Malocclusion is irregularity of tooth position and poor fitting together of the teeth on closing the jaws. Such irregularity not only may interfere with chewing and with speech but also may lead to disease of the gums and other supporting structures of the teeth (periodontal disease). Malocclusion may also produce deformities of the face.
Dr. Campbell tries to limit his practice to the making of dental plates, partial plates, removable bridges and extractions for some; however, he recommends that you see your dentist at least twice a year in order to help prolong the use of your natural teeth. Dentures are not as efficient as healthy, natural teeth.

Play, 'The Cage,' Is at Ghiradelli

Former San Quentin inmate Rick Cluchey's powerful one act prison drama "The Cage" began a two - week engagement at the newly decorated Ghiradelli Square theater Monday.

The play is a Keith Rockwell presentation, written by Cluchey while in prison.

Cluchey appears in the six - man cast as "Hatchet" a demented killer. Every member of the cast is a former inmate of San Quentin, most are still on parole.

On opening night, former San Quentin warden Clinton T. Duffy explained the functions of the Seventh Step Foundation to the audience and how it is assisting in prison and helping to curb juvenile delinquency.

Since Cluchey's release from prison "The Cage" has been extensively rewritten. It has been performed by the San Francisco Actor's Workshop in 1965; by the Drama Workshop at San Quentin and a shortened version of the play was shown on KQED TV last February.

"Cage" director Ken Margolis, formerly associate director with the Actor's Workshop, was retained by the 7th Step Foundation because of his dedication to the prison drama group over a two - year period, a spokesman for the play revealed.

Included in the cast is Micil Murphy who was paroled on July 1 to work in the show.

Murphy is the only professional member of the cast and was granted a scholarship with A.C.T. prior to his encarceration. He received most of his training at the prison drama group which author Cluchey founded.

Other members of the cast include Ernie Allen, Ken Mebs, Ed Rand, Warren Cobb and Terry Cuddy.

For further information or play reservations call 981-0717.

SAN MATEO

At last we are proud to announce that we have opened our San Mateo store. We invite you to come in and meet our store manager, Mr. Walter Blackwell, and get acquainted.

Save over $200 on many models of spinet and console pianos and organs. Tremendous savings are made possible because Carnes Piano & Organ Co. purchased the entire DISTRESSED stock of a Las Vegas dealer.
Because of franchise agreements, we cannot advertise the low, low prices. We can assure you, however, that you will be AMAZED at the savings to you. First come, first served. When these are gone, there will be no others at these prices.

Parsley Is Named Post Plant of Week

Petroselinum hortense, better known as "Parsley" to the millions of home-owners and green-grocers of the nation, is The Post Plant of the Week Pictured in the garden of the Sidney Covell's, Geri Lane, Hillsborough, it adds beauty to a step-side planting.

Parsley has a long and distinguished background. The Greeks crowned their heroes of the Nemean and Isthian games with garlands of parsley, and Greek lovers made wreaths of parsley to present to their favorite girl friends as expressions of true affection.

The Romans, too, used parsley garlands to crown their victorious athletes. They also used it in garlands to decorate their banquet tables as they not only thought it to be beautiful but its use absorbed the fumes from too much drinking. They also prized its aromatic flavor and used it in sauces and other foods.

Perhaps no other herb has such a varied background as parsley. The ancient Greeks also used parsley to form funeral wreaths and planted it profusely to form a green, velvety carpet over the mounds of new graves. It is said that they used it to make crowns for Anacreon (An Ionian Greek poet 563 to 478 B.C.) while he was alive and wreaths for him after death.

Horticultural historians believe that the name parsley is a corruption of the Greek and German word "petersilie" which means parsley. Pliny wrote that the name "parsley" was derived from the Greed word "petroselinon", which means "stone breaker." The Greeks believed that parsley was so good and so strong in aiding troubles of the stomach that they called it by a name which described it "as strong as a stone might be."

The English, in turn, grew to love parsley, and their poets took up its praise where the Greeks left off. Keats and Shakespeare, and others refer to the deep green beauty of the parsley sprigs. As it became an increasing favorite in English kitchens, it was more extensively propagated. The early English colonists brought it to America, and now this herb is not only grown in a large number of private gardens but is grown in great commercial quantities in California and Texas, who sell it both fresh and dried for culinary purposes.

Most home gardeners know only the varieties noted for their leaves but there is another, "P. radicosum" or "turnip-rooted". This variety has a large root similar to a small parsnip and when cooked has a flavor equally as sweet as celery and very similar in taste.

The fresh foliage of all cultivated parsley is best known for its decorative addition to the dinner plate or platter. However, Dr. Hazel E. Munsell, a research associate at the nutritional biochemistry laboratories of the Massachusetts Institute of Technology, reported that in analyzing parsley this herb was found to be a source of calcium, thiamin (vitamin B-1), riboflavin (vitamin b-2), niacin, and vitamin C. So, next time eat the decorations.

Growing parsley is a simple job once the seeds germinate. Some professionals suggest soaking the seeds for twenty-four hours before planting them indoors in a pot. We would suggest covering the pot with plastic to help hold the moisture in for it does take about four weeks for the seeds to germinate. We read in an old herbal that "Parsley goes to the Devil and back again nine times before it comes up.'

Transplant the seedlings to a rich, moist soil and space the plants six inches apart. We like to set our seedling plants closer then, when they begin to crowd one another we pull out every other plant, cut the tops off and dry them on a box lid in a cool bedroom until all the moisture s gone then bottle them for use when our fresh supply has been used up.

In this part of California a home owner can have fresh parsley in the garden every day in the year, if he will remember to plant the seeds. Parsley is a biennial herb that blooms the second summer after planting, and for this reason seed should be sown annually in order to keep a supply of fresh, young leaves.

D.C. Family Trio Injured

Three members of a Daly City family were hurt last week in an auto collision at Skyline Boulevard and Westmoor Drive.

Highway patrolmen said the accident, at 4:45 p.m., involved cars driven by Mrs. Carrie L. Ferrel, 27, of 689 Skyline Drive, Daly City, and Harold C. Tonini, 51-year-old Jefferson High School teacher of 115 Madison Avenue, San Bruno.

Mrs. Ferrel and her sons, Arthur, 6, and Alan, 5, were taken by ambulance to Kaiser Hospital in South San Francisco for treatment of multiple injuries which were reportedly not serious.

Officers recommended that Mrs. Ferrel be charged with failure to stop for a red light.

Mrs. Ann Wahamki, 65, of 136 Alta Mesa Drive, South San Francisco, was treated at Mary's Help Hospital for neck and head injuries sustained at 4:55 p.m. in an auto crash on Junipero Serra Boulevard at Southgate Avenue.

Patrolmen said Mrs. Wahamki lost control and hit an embankment when she swerved to miss another car.

Firemen Happy; Few Fires

By WILL THOMAS

The North County was anything but quiet July 4, but major incidents involving fireworks and the clogged roadways were missing.

Most area police and fire departments called it a generallly quiet day, except for the noise as youngsters teamed with their parents for a banging, sparkling family-style Fourth of July celebration.

Busiest unit of them all was the South San Francisco Fire Department, which attributed 11 of 20 calls to firecrackers, cherry bombs and sparklers.

Most of the calls were to extinguish grass fires, though a sparkler ignited a small fire on the roof of a home at 856 Baden Avenue.

Wednesday a fire in a panel truck at 729 Almond Avenue apparently was started after sparks from a sparkler had smoldered in sleeping bags.

Sparklers also were said to have caused a minor blaze in cardboard boxes full of old clothes in a garage on Dublin Drive.

In Pacifica, it was "very quiet," firemen said, with only one grass fire — and that was of "undetermined" cause.

The Pacifica police said its reports showed one seven-year-old youngster, Melvin R. Nelson, Jr., received hot ash in one eye when a firecracker held by another youngster exploded.

Medical attention was not required, the police spokesman said.

Daly City police said there were the "usual firecracker complaints," but no injuries.

The firemen there reported four false alarms made up the bulk of their holiday activity.

San Bruno firemen said all was "quiet."

Contract Let For Skyline College Work

Contract for construction of the first phase of Skyline College in San Bruno was awarded last night by San Mateo Junior College District trustees to the San Francisco firm of Engstrum and Nourse at a total of $5,700,400.

Three major building complexes are involved: The science-technical center, fine arts center, and gymnasium.

Engstrum and Nourse, low bidder in the second round of bidding on the project, after the district's first effort earlier in the year had resulted in overly high bids and a "repackaging" of the project, is currently erecting a $5-million auditorium-theater for University of California, Berkeley, and a space engineering building at Stanford.

The firm, active in the Bay Area for 30 years, also recently completed the undergraduate library and graduate school of business at Stanford and, in joint venture, the parking garage at San Francisco International Airport.

State funds in the amount of $1,159,140 will assist in financing the construction, according to Supt. Julio L. Bortolazzo. An additional $635,000 has been earmarked by the state toward building the campus center at Skyline, but additional financing beyond present resources must be found by the district to qualify for this money, he said.

Engstrum and Nourse's low bid was $5,530,000. Since its submission, other items have been added to the contract, including $150,000 for multipurpose rooms in the gym to serve as temporary library facilities.

Body of Boy Near Slide

The reamins of a boy's body, believed to be that of 10-year-old Craig Corcoran, was found washed up on an ocean beach in the Devil's Slide area yesterday.

Craig's father, George Corcoran, a San Francisco television executive, was to view the remains today in the hope of confirming indentification.

Coroner's Investigator Robert Cawley said the body still wore pants and a belt and shoes and socks which might aid in identification.

Craig and his sister, Carol, 9, were killed June 19 when their mother, Mrs. Constance Corcoran, 37, leaped over a Devil's Slide cliff and either pushed the children ahead of her or carried them with her.

Bodies of Mrs. Corcoran and the girl were recovered the following day, but the body of the boy was swept out to sea after being briefly seen. The beach where the body was found yesterday is at Grey Whale cove, about a half-mile north of the murder-suicide scene.

Pot Overheats In Pacifica

A big pot became overheated on an electric stove shortly before 6 p.m. in Pacifica Thursday, resulting in hood, fan and smoke damage.

Firemen said Mrs. Rosa Parsons had put the pot on the stove burner and went into the living room of her home at 66 Frances Avenue.
